

NEW FROM METO: Fixture solutions for electronic pricing

Are you currently planning to introduce electronic price tickets to your sales areas?

We are able to supply the right accessories for attaching electronic price tickets for the Altierre, Displaydata (ZBD), ImagoTag, Pricer, Samsung and SES brands anywhere in your sales areas.

Application examples:

- Peghook wall / peghooks
- Stands for fresh produce counters
- Shelves, price tickets, baskets
- Open and closed shelf-edge rails
- Counter stands
- Fruit and vegetable boxes
- Magnet mounts and hanging mounts
- Stands for containers and special offer tables

We are continuously working to expand our extensive range of fixing accessories in cooperation with the leading manufacturers of electronic price tickets.

We have the perfect solution:

METO fittings for all departments and categories of goods

METO has the solution:

Adapters make it possible to continue using existing fixing accessories for **METO** price cassettes and displays.

Please ask your **METO** consultant or our Customer Service team.
