Fastener and swiftags not only facilitate the universal attachment of product and brand labels, but they are also useful for special requirements, such as securing soft products or semi-finished industrial goods. This programme increases productivity, optimises production processes and saves time and resources. Needles are available for various material thicknesses and for outdoor use and are suitable for use with delicate fabrics. A quick and easy way to communicate your product details and your brand.
FASTENERS AND ACCESSORIES

V-Tool
Automatically connect a single loop fastener in a fraction of the time it takes to fasten by hand without perforating products. Each tool is comfortable, lightweight, and designed to be durable and reliable. Attach tags securely
- Does not use needles
- Lightweight and compact
- Quick and cost effective
- Ergonomic and safe
